Purpose and impact:

The Emergency Planning Officer (EPO) role is the main day to day delivery for all aspects of emergency planning. It is the job of the EPO to coordinate the development of emergency planning and contingency arrangements to ensure that NCC can work effectively with partners to respond to and recover from civil emergencies and significant business continuity disruptions.

The EPO is part of a duty officer system and provides the initial point of contact for the emergency services for Northamptonshire and is expected to mobilise and coordinate appropriate response arrangements. As an incident progresses, they will provide expert advice to decision makers and work to find solutions to complex problems.

Accountable to:

This role is accountable to the Emergency Planning and Business Continuity Manager, responsible for the direct line management of 4 Emergency Planning Officers and a Business Support Officer. The role sits within Customer and Corporate Services, part of the Corporate Services Directorate in West Northamptonshire Council.

Responsibilities:

1. Design, develop, embed, maintain and improve resilient systems, plans and procedures, to support the effective mobilisation and management of emergency response and recovery activities including those relating to Business Continuity.
2. Plan, facilitate, promote and support programmes of activity to enhance preparedness and resilience across West Northamptonshire working where possible to meet or exceed the appropriate standards and relevant good practice guidelines.
3. Lead delivery of allocated projects, including multi-agency projects, taking responsibility for all allocated aspects of project management.
4. Develop practical and proportionate solutions to complex multi-agency response and recovery challenges having due regard to ensuring they can be effectively implemented when required.
5. Coordinate at a tactical level the response to a critical incident or emergency and where necessary in conjunction with the voluntary sector, utilities, adjacent councils and other partner agencies, as necessary. This includes out of normal office hours and may include attending the scene of an incident.
6. Design and deliver training courses and materials as necessary to embed resilience in Northamptonshire
7. Maintain a wide range of positive professional relationships at all levels (including chief officer) with colleagues, partner agencies, volunteers and community organisations to deliver the service to required standards and to resolve complex multi-agency issues as required.

8. To be available as part of a 24/7 standby duty officer rota. Also to be available both in and out of hours when not on standby subject to sickness, leave and reasonable demand, for emergency response.
9. Actively challenge and seek to eliminate any directly or indirectly discriminatory practice or behaviours.
10. Demonstrate awareness and understanding of other people's behavioural, physical, social and welfare needs and ensure that reasonable care is taken at all times for the health, safety and welfare of yourself and other persons.

This job description reflects the major tasks to be carried out by the post holder and identifies a level of responsibility at which they will be required to work. In the interests of effective working, the major tasks may be reviewed from time to time to reflect changing needs and circumstances. Such reviews and any consequential changes will be carried out in consultation with the post holder.
