Are you a professional who thrives on being at the forefront of innovative practice and new ways of working?

Do you have a passion and commitment to work alongside teams to enable them to be their best?

Do you want to be part of a developing dynamic and creative culture, which seeks to connect individuals and staff to their communities?

An exciting opportunity to join the Learning and Development Adult team has arisen to support with our growing programme of learning and development activities across all teams in Northamptonshire North Adults, Health Partnerships and Housing (AHP and H) Directorate

We are looking for professionals seeking opportunities to have a real impact on a number of projects that we have planned over the next months. The role includes supporting and developing best practice solutions using in-house and external capability that supports the common programme and specialist areas, such as social care or new ways of working

Working with our friendly, helpful team to deliver and to fully coordinate and manage the design, delivery and evaluation of learning and development activities in particular:

- Lead an increasing demand for development and delivery to professional development programmes
- Lead and manage projects
- Manage and support the growth of the team

- Training design and delivery to front line staff and their Seniors across a range of practice areas for Adult social work / care teams / Housing and Community Leisure
- Support with anticipated legal changes to practice and will need to coordinate new programmes of training across the workforce to ensure that practice by staff is safe, legal and sustainable

We are seeking a suitably experienced and qualified person to work closely with teams, individuals and specific roles within the Council from our Adults, Health Partners and Housing Teams.

About You:

We know that our staff are key to our success, and we are seeking people with ambition, creativity, and commitment to our Council values to help us to achieve the best possible outcomes for our learners.

Do your skills set, and values match our ambitions?

You will have;

- Excellent communication skills and be able to build a strong rapport with our learners
- A self-starter who is willing to get stuck in and be proactive and can think creatively
- Good working knowledge of managing change and be positive to new ideas and problem solving
- Ability and experience of the full learning cycle as well as supporting learners individually
- Understand what is needed to manage projects from inception to delivery
- Working with team managers and delivering on projects associated within adult social work and/or adult social care
- The ability to ensure a quality service is delivered to learners, that NNC policies and values are complied with and reporting deadlines are met.

In return you will receive regular one to one's and learning and development activities to support with your own continued professional development. Our team has a rich experience and knowledge base providing a great opportunity to learn and grow.

At North Northamptonshire Council, we are committed to the importance of promoting equal opportunities, valuing diversity and creating an inclusive working environment for all our employees.
