

Job Description

Job Title: Head of Parking and Traffic Management

POSCODE: CCC1077

Grade: P5

Overall purpose of the job

The Place and Sustainability Directorate impacts on the lives of everyone living, working, learning and travelling through Cambridgeshire every day. As a Head of Service within the Place and Sustainability directorate, you will support the directorate's core aim to support sustainable economic development and growth, protecting and enhancing the environment and enabling effective transport and connectivity for all communities.

Place and Sustainability consists of four key professional areas which include:

- Transport and Connectivity
- Infrastructure, Capital and Delivery
- Environment and Economy
- Regulatory Services

As the Head of Parking and Traffic Management and reporting to the Service Director: Transport and Connectivity, you will act as the senior professional lead providing operational leadership, development and management for professional services within your given remit, ensuring the highest quality services are delivered within resources available.

The role will be fully responsible and accountable for the delivery of services including:

- Parking and Traffic Management Policy and Regulation
- Parking Operations and Enforcement
- Streetworks and permitting
- Bus operations and facilities
- Signals and Systems
- Traffic Centre Operations

The Head of Parking and Traffic Management will work collaboratively with the Service Director: Transport and Connectivity to ensure that appropriate policies, plans and contracts are delivered to the highest standards, in line with relevant legislation and best practice. The role will provide strategic leadership, technical advice and expertise at a senior level, to develop and review strategies including implementation of changes to promote resource effectively to support sustainable economic development and growth, protecting and enhancing the environment and enabling effective transport and connectivity for communities.

Main accountabilities

Main accountabilities

1. Strategic Leadership

- Responsible for the development of strategic objectives and outcomes for responsible services within the Place and Sustainability directorate, taking account of organisational strategy, best practice and legislative and regulatory requirements. Ensure this is shared through strong leadership within the service.
- Provide expert knowledge within area of professional specialism including policy, best practice and law, ensuring that all policies, processes and approaches are documented and are up to date, reflecting practices that achieve best outcomes for communities and the Council.
- Lead on developing and maintaining data to report on operational performance management. Utilising this data in various internal and external reports and utilising insights gathered to develop services and practices to achieve improved outcomes for communities and the Council.
- To Lead and support system wide developments in sustaining and improving economic development and growth including protecting and enhancing the environment for communities.
- To lead on change management or service development projects and complex investigations as directed by the Service Director.
- Attend, contribute and or provide written reports, advice and information to any relevant committee, member or board meeting as appropriate. Represent the Council at specified meetings as agreed with the Service director and to lead and direct the agenda for management team meetings within the services responsible and any other meeting or committee as and when required.
- Provide leadership to ensure the effective management of resources through strong recruitment, induction, supervision, training, retention and people management techniques.
- Mentor and inspire members of the team, promoting professional growth and cultivating a culture of excellent and continuous learning.
- Deputise for the Service Director when needed.

2. Service Delivery

- Provide senior operational management to all teams within services responsible. Be
 accountable for activity across service areas, ensuring that managers are effectively
 overseeing their operations including planning, allocation and review of workload so
 priorities are managed, shortfalls identified and services delivered within capacity and within
 departmental and partnership policies, procedures and timescales.
- Provide leadership to ensure that resources are deployed effectively and managers operate
 in a way that adheres to legislation, regulation and compliance, provides good outcomes for
 communities and the Council.
- Be proactive in the development of services through collaboration with internal and external stakeholders. Working collaboratively with other Heads of Service in the Directorate to maximise opportunities to improve economic development and growth including protecting and enhancing the environment for communities.
- To act as the professional lead and subject matter expert within area of professional specialism, ensuring that complex work is appropriately overseen and managed to achieve successful outcomes.
- Lead on embedding a proportionate, yet robust approach to risk which is consistently applied across services delivered within professional specialism. Ensure that any related

- systems relevant to risk i.e. GRACE are appropriately adopted and managed within the
- Ensure that succession planning is in place, including plans to develop staff at all levels within the service area and wider organisation to ensure a pipeline of suitable qualified and motivated staff are available to move into roles that become available.
- To ensure that a range of opportunities are created and maintained to enable staff to contribute to improving services and wider organisational aims.
- To ensure that services within area of professional specialism meet service deliver standards including but not exhaustive to KPIs and service level agreements.
- In collaboration with the Service Director, respond to high level service enquiries and complaints raised by key stakeholders, partners and members.

3. Performance Management

- Lead on developing, through others, management information that enables oversight of activity across professional service.
- Establish and contribute towards robust performance metrics and benchmarks to evaluate the impact of service delivery, adapting processes and strategies to achieve successful outcomes for communities and the Council.
- Report operational progress and performance to Service Director, Senior Leadership and members demonstrating accountability and transparency.
- Prepare written and verbal reports related to performance of the professional service which the role is responsible.

4. Partnership Working

- Represent Cambridgeshire County Council at stakeholder, board or partnership meetings, working jointly and collaboratively to maximise opportunity and service delivery.
- Work with partners, contractors and suppliers ensuring that contracts, projects and joint ventures are performing well, meeting outcomes, are best value for money and are fully compliant with County Council approaches.
- Ensure appropriate attendance at meetings and events with partners related to directorate services but mainly area of professional specialism.
- Build and nurture strong relationships with internal teams, external partners, communities and members by way of positive engagement and service improvement.
- Develop strong professional networks and share good practice and broaden learning opportunities.

5. Financial and Resource Management

- With responsibility for a budget, collaborate with the Service Director and Operational Managers to ensure that service delivery maximises value for money, whilst achieving good outcomes for communities and the Council.
- Ensure robust arrangements for financial management and planning are in place and develop the skills and confidence of staff to make the most effective use of resources available.
- Ensure full compliance with all County Council financial and procurement policies, procedures and frameworks within area of responsibility.
- Foster a culture of innovation, encouraging the development and implementation of modernised and improved approaches to enhance service delivery and experiences for communities.
- Appropriately manage all risks, particularly related to financial and resources and ensure that appropriate systems are maintained and risk monitoring approaches are adopted.

• Coordinate and bid for funding for projects including negotiating with funding bodies, managing communications, liaising with partners, and preparing and submitting bids.

6. Role specific accountabilities

- To implement the Council's statutory network management duty under the Traffic Management Act 2004 and to manage the movement of traffic on the County's network
- To operate as the Traffic Manager under the Traffic Management Act 2004 and to implement the requirements with regard to the Network Management duty.
- Support on the development and implementation of business planning programmes for the authority relevant to the area of professional specialism leading to increased revenue, savings, and service developments.
- Provide advice and leadership and act as a centre of expertise within the Council on the duties associated with the Traffic management Act 2004 and other related legislation and operation.
- Lead on the development of the Network Management Centre integrating key elements of the Traffic Management service.
- Act as the lead officer for decisions for Traffic Regulation Orders for the council to determine objections in consultation with the local Member to come to a fair and transparent decision.
- Oversee the development of robust processes for the delivery of all Traffic Regulation Orders and Licences, both making of and records.
- Oversee the development of sound policies and strategies based on national legislation and guidance and best practice, feeding into the County Council's Highways Operational Standards.
- Manage, control, and monitor the programme of works and associated budgets for the Traffic Management function.
- Ensure income generated by teams within the Traffic Management service uses all available elements of the Traffic Management Act and Streetworks legislation.

7. Professional Values, Behaviours and Standards

- Be a visible leader, widely understood to hold professional expertise in area of specialism for the organisation and well respected as a strong advocate for quality, continuous improvement and driving good outcomes for communities and the Council.
- Lead by example both in terms of promoting positive, collaborative behaviours and practice expertise.
- Deliver through others by developing strong internal and external relationships and shared understanding.
- Carry out duties in a timely and responsive manner, in line with CCC Standards and professional frameworks.
- As a Head of Service, advocate inclusive and compassionate leadership across the directorate but particularly within the professional service.
- Advocate a positive workplace culture within services, promoting positive health, wellbeing and support for the workforce of the service.

8. Equality, Diversity and Inclusion

- Demonstrate an awareness and understanding of equality, diversity and inclusion.
- Visibly lead on ensuring that the organisations EDI priorities are embedded in all areas of safeguarding practice, both inward and outward facing.
- Have tangible outcomes relating to EDI set out in own and team Our Conversations
- Ensure the services the role has oversight of have a workforce representative of the population we serve, or a plan working towards this.
