

North Northamptonshire Council

Job Description

Job Title: Social Worker

Post code: 1973

Grade J

Overall Purpose of the Job

To provide a high standard of social work to people arising out of the Adult Social Care (ASC) duties and powers under legislation and in accordance with divisional and area policy, procedures, guidelines and the standards for all social workers registered with Social Work England

Main Accountabilities

	Main Accountabilities
1	Act as “trusted assessors” for defined areas of the support plan Conduct or support individual assessments (including risk assessments of both the customer and carer, in line with eligibility criteria to assess the dependency needs of the customer) or facilitate self-assessments, using the appropriate assessment tools and techniques in order to establish clear, relevant, proportionate, cost effective and appropriate options for the individual. Value and encourage the contribution of service users and their advocates, relatives, carers and support workers where appropriate. Work alongside Brokers to procure support plans including equipment and adaptations.
2	To manage and be accountable for an allocated caseload of customers in compliance with statutory requirements, local policy, professional best practice and with regard for individual choice. Ensure compliance with policies and procedures of the council, and those of any partner agencies, are followed, and that the service is always delivered in accordance with professional standards, policy and practice and within the relevant statutory and regulatory frameworks.
3	Operating within a multidisciplinary environment to provide appropriate, professional social work support for adults with additional care and support needs within the framework of the seven social care outcomes, adhering to the principles of the Care Act (2014) and, where applicable, Mental Capacity Act (2005) and Mental Health Act (1983; 2007).
4	Operating within an integrated service, to provide individualised, outcomes-led, personalised support, based on structured, individual assessments that inform the setting up and commissioning of appropriate packages of support.

	Main Accountabilities
5	Assist with monitoring and evaluating the effectiveness of the service and contribute to the development of service improvements through participation and involvement in local and central team meetings, supervision, training, conferences and other forums. Work flexibly and respond positively to changing business and customer needs. and carry out any other duties within the scope of the nature and grade of the post, as directed by the line manager
6	Maintain up to date, accurate and timely records of communication, decisions, actions and outcomes relating to cases in line with the processes, standards and systems of adult social care. Take responsibility for the administrative processes associated with dealing with cases in accordance with service procedures, standards and targets. Produce, maintain and present accurate records and reports for court and audit purposes in accordance with relevant policies, procedures and legislation.
7	Supervise and allocate work to Assessment and Enablement Workers (AEWs) and less experienced colleagues to maximise the team's abilities and effectiveness in meeting the challenges of the service.
8	Take responsibility for promoting and safeguarding the welfare of people who come into contact with the service, in full compliance with local policies and procedures and that the principles are embedded in all practices, advice, decisions and support associated with this role.
9	Liaise with, establish and maintain effective working relationships with other local services, specialist teams, Hospital Trusts, and the 3rd sector organisations relevant to the needs of the customer in order to deliver a holistic and seamless service. Co-ordinating and leading multidisciplinary/ professional meetings as required, representing the service at internal and external meetings.
