

Job Description

Job Title: GCP Senior Project Manager

Grade: P4

Overall purpose of the job

The development and delivery of major transport infrastructure is vital to the future economic wellbeing of Greater Cambridge. The Greater Cambridge Partnership (GCP) Transport programme is a cornerstone of the City Deal initiative and aims to develop a sustainable transport network for Greater Cambridge that keeps people, business and ideas connected, as the area continues to grow; to make it easy to get into, out of, and around Cambridge by public transport, by bike and on foot. The Major Infrastructure Delivery Project Manager role is responsible for the delivery of major initiatives costing £hundreds of millions and is accountable to the GCP Transport Director and ultimately the GCP Executive Board for successful implementation. This role is responsible for delivering one or more projects within the GCP Transport Programme.

This role is vital in ensuring effective and efficient delivery of major schemes across a wide range of transport projects, defining service outcomes across a range of needs – e.g. service change, modal shift and maximising contract savings and achieving Value for Money.

Main accountabilities	
1.	<p>Leadership 15%</p> <p>Inspire and motivate project staff to ensure that they achieve their maximum potential, providing flexible use of resource across the service.</p> <p>Work with the Director to provide effective leadership to teams within the programme to create a culture of empowerment, openness and transparency. Provide leadership and direction within the assigned group of projects and the Greater Cambridge Transport Programme more widely.</p> <p>Ensure the effective delivery of major projects that improve transport infrastructure network and the services that utilise it.</p> <p>Recruit, train, develop and reward staff to meet the needs of both the team(s) and the Council.</p> <p>Provide advice to, and act as a centre of expertise within GCP Transport Programme on the delivery of the transport infrastructure network.</p> <p>Provide detailed technical reports to the GCP Executive Board in a timely and efficient manner, ensuring engagement with stakeholders, and clear requirements of project details, timescales and delivery requirements.</p>
2.	<p>Programme Management, Procurement and Delivery 15%</p> <p>Actively lead with colleagues across the directorate, the Council and our partners to ensure major projects are delivered in the most efficient, effective and co-ordinated manner and represent VFM.</p>

	<p>Implement robust forward and integrated work programmes with clear identification of delivery mechanisms, decision points and governance processes.</p> <p>Ensure efficient and value for money procurement strategies are developed, implemented, monitored and reported.</p> <p>Ensure effective contribution is given to development of future county contracts.</p> <p>Ensure all measures are incorporated in projects and work programmes to minimise and mitigate all risk and adverse impact on the environment, communities and businesses.</p> <p>Ensure projects and work programmes take due regard to the needs of all users of the network, especially those who are vulnerable or have particular needs.</p> <p>Advise Councillors informally, and through formal reports, on the planning and delivery of individual projects and the development and delivery of the work programme.</p>
<p>3.</p>	<p>Financial, Contract and Risk Management 15%</p> <p>Manage, control and monitor the programme of works. Ensure monthly progress reports on expenditure, and bids for funding are prepared and submitted in a timely way. Report any variances to the GCP Transport Director.</p> <p>Report on a monthly basis the forward expenditure plan for GCP Projects, identify expenditure shortfalls and capitalise on alternative funding options.</p> <p>Maintains and improves the transport infrastructure network to ensure expenditure is within agreed tolerances of approved budgets. Manage agreed project budgets within agreed tolerances and proactively identify budget risk and constraints, developing in agreement with GCP Transport Director suitable mitigation strategies and actions to manage accordingly.</p> <p>Prepare and manage a live Project Risk Register in accordance with corporate guidelines, and provide regular reporting and programme updates through the Programme team.</p> <p>Ensure compliance with all relevant Health and Safety legislation and best practice in the planning, design and delivery of projects and work programmes.</p> <p>Ensure contractual process are developed and followed.</p> <p>Provide advice and support across the Directorate on the Construction Design and Management Regulations.</p>
<p>4.</p>	<p>Partnership Working 10%</p> <p>Engage and lead on relationship management with key partners such as our service provider, the District Councils, Department for Transport, Highways England, Network Rail, Environment Agency, Combined Authority, Community Groups and others as required, to deliver infrastructure projects that meet the GCP's and partners' objectives.</p>

5.	<p>Service Planning and Development</p> <p>10%</p> <p>Actively contribute to the development of strategies for Infrastructure that improves the transport network.</p> <p>Assist with identifying Major Infrastructure Projects, providing advice on feasibility and costs of potential schemes and in securing funding.</p> <p>Maximise the use of Capital Expenditure and City Deal Growth Funds to ensure services across the organisation – Skills, Housing and Local Schemes are managed, developed and aligned with corporate objectives.</p>	
6.	<p>Communication and Customer Focus</p> <p>15%</p> <p>Ensure that customer focus is promoted as a core value and customer care is embedded in the teams.</p> <p>Ensure that service objectives align with local community and business needs to deliver outcomes that align with GCP objectives.</p> <p>Lead on the development of work programmes and projects for the GCP Transport Programme. These programmes and projects should meet the needs of users and the local community by actively seeking input from local communities, businesses, Councillors, key stakeholders and potential users, throughout the development and delivery of work, aligning fully with GCP Executive Board expectations.</p> <p>Ensure effective consultation processes to inform the public about proposals and seek their views. Accurately report those views to the GCP and members to assist in decision making.</p> <p>Ensure the community, businesses, Councillors, the media, partners and stakeholders are kept informed and given timely updates about progress on the delivery of projects and work programmes.</p> <p>Develop policies and systems to ensure that feedback from customers, partners, stakeholders and employees can be evaluated such that appropriate action can be taken to provide continuous improvement.</p>	
7.	<p>Strategy Development</p> <p>10%</p> <p>Contribute to the development of strategies for improving transport infrastructure, economic development and accessibility, and to securing the necessary funding, by identifying potential infrastructure projects and providing advice on feasibility and costs of potential schemes.</p>	
8.	<p>Staff Management and Development</p> <p>10%</p> <p>Provide effective leadership to the Project Managers and Project Officers, working with the GCP Transport Director to create a culture of empowerment, ownership, openness and transparency.</p> <p>Recruit, train, develop and reward staff to meet the needs of both the team and the GCP.</p>	

9.	To demonstrate awareness/understanding of equal opportunities and other people's behavioural, physical, social and welfare needs.
