

Job Description

Job Title: Contract Officer

POSCODE:

Grade: SO2

Overall purpose of the job

With the support of Commissioners and Contract Managers, Contract Officers will be expected to lead on the monitoring of contracts to ensure the performance of provision within the relevant service area across contracts and thus ensure value for money.

In monitoring services the post holder will be expected to ensure that as far as possible adults are safeguarded and in receipt of quality provision which meets their outcomes through sharing good practice and areas for improvement, working with key providers and partners to do this.

To support market management and the development of service provision within the service area through effective collaboration and joint working with Commissioners to procure services and to facilitate service user and stakeholder engagement in this process.

This position has a requirement to work and travel across Cambridgeshire and Peterborough.

Main accountabilities

	Main accountabilities
1.	<p>Contract Monitoring</p> <p>To work with Contract and Account Managers to develop and use appropriate systems and tools (such as the risk matrix tool) to manage and monitor contractual compliance with internal and external providers in order to ensure that quality services are provided to service users</p> <p>To identify contractual compliance shortfalls and liaise Commissioners and Contract and Account Managers to recommend the appropriate course of action. To professionally challenge poor practice and carry out ongoing work with providers to address any such shortfalls and ensure improvement of service provision and quality and the management and mitigation of risk.</p> <p>Where appropriate, to gather information or carry out an initial visit to a provision which has not previously been used or monitored where a Service User is being placed for the first time.</p> <p>To monitor notifications of concerns and report evidence of any trends in performance, concerns and other issues to the relevant Contract and Account Manager and support key Managers, Commissioner, CQC, Quality Improvement, Operations and Safeguarding Teams in the event of provider failure.</p> <p>To ensure providers are aware of, and comply with all relevant legislation and contract requirements as well as current priorities and strategies across both Councils.</p>

2.	<p>Supporting Development and Implementation of Commissioning Strategies and Approaches</p> <p>To support Contract and Account Managers to provide information to assist with the commissioning of services and support the development of commissioning strategies, specifications, monitoring tools and other associated documents, where required. The post holder will also be expected to act as a member of tender project groups as appropriate.</p> <p>Support the review of Commissioned Services through providing intelligence which identifies gaps in service provision and any trends in needs of service users.</p> <p>To provide information which will assist in the development of the relevant market, including networking with other local authorities.</p> <p>To research and review legislation, policy guidance, new initiatives and best practice in relation to personalised models of service that increase choice and control and to ensure staff, providers and other stakeholders are aware of any relevant current and future government policy and initiatives.</p>
3.	<p>Partnership Working</p> <p>To promote good practice and enhance service quality through the ongoing provision of clear guidance, information and education to care providers, in order to raise the quality of service provision.</p> <p>To work closely with providers across the statutory, voluntary and independent sector to develop productive relationships and co-production of service delivery and improvement.</p> <p>To provide support and information to social care teams in relation to commissioning and contract arrangements, including promotion of good practice, advice and support.</p> <p>To liaise with external agencies, including but not limited to CQC, health partners, district councils and other statutory and non-statutory organisations.</p> <p>To contribute to the delivery of provider events as delegated by the manager.</p>
4.	<p>To ensure the demands of the service are met, a requirement of this role is to provide emergency support during weekend and bank holiday periods.</p>
5.	<p>Carry out additional reasonable duties as required by the line manager.</p>
6.	<p>To demonstrate awareness/understanding of equal opportunities and other people's behavioural, physical, social and welfare needs.</p>
