Senior Auditor

Audit & Risk Management, Finance Directorate

Thank you for your interest in this role. Our vision at West Northamptonshire Council (WNC) is: 'to make West Northants a great place to live, work, visit and thrive'.

We truly stand by this and work hard every day to make this a reality, and at WNC it's about our people. People who thrive with ambition, bring new ideas, demand better ways of working, care about every detail, and who never shy away from a challenge.

Our culture is a gateway for new experiences. A place to forge new opportunities. To empower you in your career and unite you with like-minded people. When potential is unlocked, talent thrives.

West
Northamptonshire
Council

Purpose and impact:

To contribute to the provision of an efficient and effective Internal Audit service through participation in programmed audit work across the full range of the Council's functions, including systems evaluation corporate governance, probity, contract, procurement & project management, grant verification, ICT audits, and ad-hoc investigations.

Accountable to:

This Senior Auditor role is accountable to the Audit Manager and is supported by a Principal Auditor, who acts in a supervisory capacity in the undertaking of audits. The role has no direct line management responsibilities.

The role sits within the Audit team of the Audit & Risk Management Service, which also includes Risk Management, Internal Control and Fraud, and is part of the Finance Directorate in West Northamptonshire Council.

Responsibilities:

1. Prepare and carry out audit assignments to provide assurance to management on the adequacy and effectiveness of the control and governance environment, and the management of risk, as directed and under the guidance of the Audit Manager or a Principal Auditor, having due regard to professional standards (utilising the relevant tools and techniques), internal quality procedures and any requirements of Internal Audit management.
2. Design and create assignment terms of reference (in consultation with management) for the approval of the Audit Manager, and associated audit work programmes, checklists etc under the guidance of the Principal Auditor as required and in undertaking an assignment that meets the proposed scope of work, ensuring due regard is given to risk, control and governance.
3. Evaluate, appraise, and analyse audit findings whilst maintaining an understanding and appreciation of the systems and procedures in place, so that practical recommendations can be made to improve controls and processes. Ensure associated working papers and audit evidence is concise and clearly documented for the purpose of file review by the Principal Auditor.
4. Discuss audit findings with management and heads of service and agree practical recommendations to improve the internal control environment, whilst maintaining an understanding and appreciation of departments systems, procedures, and work pressures.
5. Produce and submit draft audit reports to the Principal Auditor for initial review, prior to approval by the Audit Manager. Following submission of the final audit reports, carry out follow up work as directed to monitor progress with the agreed action plan.
6. Deal with ad hoc queries from service department management and/or provide advice and guidance to service department management when required or as directed. Represent Internal Audit at meetings or on working parties or other fora as and when required, whether within the Council, with partners, or on an inter-authority or other basis
7. Maintain up to date knowledge of relevant legislation / regulations, professional standards, and organisational changes insofar as they relate to the Internal Audit Service.

8. To maximise personal productivity, minimise duplication and errors; and manage our information efficiently and securely to reduce risk, through effective use of Office 365 and our internal IT systems and applications.
9. Actively challenge and seek to eliminate any directly or indirectly discriminatory practice or behaviours.
10. Demonstrate awareness and understanding of other people's behavioural, physical, social and welfare needs and ensure that reasonable care is taken at all times for the health, safety and welfare of yourself and other persons.

This job description reflects the major tasks to be carried out by the post holder and identifies a level of responsibility at which they will be required to work. In the interests of effective working, the major tasks may be reviewed from time to time to reflect changing needs and circumstances. Such reviews and any consequential changes will be carried out in consultation with the post holder.
